## HISTORY

In Vino Erotico is an emotional wine... to be experienced. The result of long reflection and tasting done with a precise idea in mind: create a wine with a touch of sensuality, aromatic enchantment and a crisp texture.

If Apollinaire had written about a wine... would In Vino Erotico have been the lucky one?

Wine is a world of sensations, In Vino Erotico was created to satisfy them. Selected parcels with delicate characteristics, associated with the art of assembling the vine produce a wine that is smooth, crisp and elegant... in white or red.

## SOIL & VARIETIES

Terroir: Plateau of rolled stones.

Tasting grapes in the vineyards is the means of rigorously selecting the best grapes for these two wines. Maximum yields of 50hl/ha.

Blending of three carefully selected grapes varieties:

**White** – 60 % Chardonnay, 20 % Sauvignon Blanc, 20 % Viognier

**Red** – 50 % Syrah, 25 % Merlot, 25% Cabernet Sauvignon

## VINIFICATION

**White:** 20% of Chardonnay vinified in oak barrels, maceration on the skins for the Sauvignon Blanc and soft pressing for the Viognier. Stirring of fine lees, then blending.

**Red:** traditional maceration, in vats during 30 days. 20% aged in oak barrels for 6 months; stirring of fine lees before and after malolactic fermentation.

## TASTING

**In Vino White:** A pretty yellow color with gold reflections. Powerful and full of finesse, the nose reveals tropical fruits and ripe citrus fruits. Dried fruits: raisins, figs and hazelnuts, and vanilla and grilled notes announce the power and length.

**In Vino Red:** Intense color with dark purple tints. The nose is rich with violet, blackcurrant and raspberry on a layer of spice. Full bodied, yet fresh and fruity in the mouth.
